~ Chrome and Powder Coated wheels are subject to inspection for pricing

~ Pricing based on at least four substantial pieces being refinished at the same time
(i.e.-4 identical wheels)

~ Pricing includes abrasive blasting, preparation, rust resistant base coat and powder coating with a "in-stock" color.

~ For a Custom color, add \$125 to standard pricing.

~ All Tires, wheel weights, and valve stems are to be removed by the customer prior to drop-off.
